Date: 07.08.2019

NOTICE

Further to the earlier Notice dated 20.07.2019, it is brought to the notice all the beneficiaries using cable/ internet services in the KV-II campus that the society charges as applicable for a long time are not being remitted to the AOA, KV-II by the Cable / Internet Service Providers despite repeated requests and reminders. The details thereof are stated hereunder:

Name of Service Provider	Amount pending for payment (Up to 31.07.2019)
1. M/s J M R Cable:	Rs. 1,54,520/-
2. M/s R R Enterprises:	Rs. 2,16,000/-
3. M/s Awana Cable network:	Rs. 26,000/-

Under the circumstances, the BOM, KV-II has been of the strong view to prohibit the entry of workers of Cable /Internet Service providers in the KV-II campus for rendering their services until the dues are remitted by them soon.

Notice to this effect is being issued to them shortly. However, considering the larger interest of the beneficiaries using cable/ internet services, they are requested to choose some alternative arrangement of cable/internet services possibly to get rid off with the prevailing situation appearing unwarrantedly.
