5. Royalty at the prevalent rates and all other incidental expenditure shall have to be paid by the contractor on all the, metal shingle, earth sand, bajri etc. collected by him for the execution of the work direct to the concerned Revenue Authority of the State or Central Govt. His rates are deemed to include all such expenditure and nothing extra shall be paid.
6. The malba / garbage, removed from the site shall be disposed off by the contractor at any suitable place as directed by the BOM, AOA. Nothing extra shall be paid on this account.
7. The contractor shall deduct worker subscription towards Provident Fund and ESI, as per rules, he shall deposit the same into the respective accounts of the worker and submit the details and documentary proof in support of claim of reimbursement of ESIC/ EPF to the office for verification, which shall be reimbursed only after verification.
8. Documentary proof of disbursement of wages to the workers. The copy of documentary proof of ECS / RTGS shall be produced with each R/A bill and final bill.
9. The dismantle material/building rubbish received from dismantling/demolishing shall be dumped to the dumping ground in properly covered truck with precaution. Agency shall submit the hard copy of photograph showing the properly covered truck disposing the dismantled material. Failure of which shall be sternly dealt and a penalty @ Rs.5000/- per trip of truck shall be levied and the decision of BOM, AOA shall be final & binding.
10. Agency/contractor shall not dump the construction material on the metalled road and shall keep the construction material on the physically demarcated space by the BOM, AOA.
11. All the material responsible for pollution shall be brought at site from sources covered by tarpaulin and shall take all precautionary measure to ensure that no dust particles are permitted to pollute the air quality, failure of which Agency shall be liable to pay damages as decided by BOM, AOA. The decision of BOM, AOA shall be final & binding.
12. All the trucks or vehicles of any kind, which are used for construction/repair/carpeting purpose and/or are carrying construction materials like cement, sand, bitumen, grits and other allied material, shall be fully covered in the process of transporting the material.
13. The construction material of any kind that is stored in the site will be fully covered in all respects so that it does not disperse in the Air in any form.

14. Every worker working on the construction site and involved in loading, unloading and carriage of construction material and construction debris shall be provided with mask to prevent inhalation of dust particles.
15. Contractor should provide all medical help, investigation and treatment to the workers involved in the construction of building and carry of construction material and debris relating to dust emission.
16. There shall be no burning of leaves, plastic etc at construction site.
17. Contractor should ensure that directives of Hon'ble National Green Tribunal orders dated 04-12-2014 and 10.04.2015 in O.A. No. 21 of 2014 and O.A. No. 95 of 2014 and MoEF guidelines of 2010 regarding dealing with Air Pollution from construction and demolition sites.
18. Identification of services like sewer lines, water supply lines, electric and telephone cables etc. well in advance of actual execution.
19. The construction agencies shall make arrangement for a regular weekly or other frequency as desired by BOM, AOA for the documentation of the progress of work.
20. The contractor shall provide barricading all around site and suitable light shall be provided with barricading. Contractor shall not be paid anything extra for the barricading. In case the Agency fails to provide barricading as per direction of BOM, AOA, the same shall be provided by the BOM, AOA at his risk and cost.
21. The contractor shall maintain in good condition, all works executed till the completion of entire work allotted to the contractor.
22. Royalty at the prevalent rates and all other incidental expenditure shall have to be paid by the contractor on all metal shingle, earth, sand, bajri etc. collected by him for the Execution of the work direct to the concerned Revenue Authority of the State or Central Govt. His rates are deemed to include all such expenditure and nothing extra shall be paid.
23. Before start of the work, the contractor shall submit the programme of execution of work and get it approved from the BOM, AOA and strictly adhere to the same for the timely completion of the project work.
24. For completing the work in time, the contractor might be required to work in two or more shifts including night shifts and no claims whatsoever shall be entertained on this account, notwithstanding the fact that the contractor will have to pay to the labourers and other staff engaged directly or indirectly on the work according to the provisions of the labour regulation and the agreement entered upon and / or extra amount for any other reason.
25. The contractor shall take all necessary measures for the safety of traffic during construction and provide, erect and maintain such barricades including signs, markings, flags, lights and flagmen as necessary at either end of the excavation / embankment and at such intermediate points as directed by the BOM, AOA for the proper identification of construction area. He shall be responsible for all damages and accidents caused due to negligence on his part.
26. Some restrictions may be imposed by the concerned authorities on quarrying of sand, stone etc. from certain areas. For timely completion of work, the contractor shall have to bring such material from other quarries located elsewhere, and nothing extra shall be payable on this account.
27. No payment shall be made to the contractor for damage caused by rain, flood and other natural calamities whatsoever during the execution of works and any damage to the work on this account shall have to be made good by the contractor at his own cost.

28. The tendered rates for all items of work, unless specified otherwise, shall include the cost of all operations, labour, materials, de-watering and other inputs involved in the execution of the items.
29. No claim for idle establishment & labour, machinery & equipments, tools & plants and the like, for any reason whatsoever, shall be admissible during the execution of work as well as after its completion.
30. Stacking of materials and excavated earth including its disposal shall be done as per the directions of the BOM, AOA. Double handling of materials or excavated earth, if required, shall have to be done by the contractor at his own cost.
31. Existing drains, pipes, cables, overhead wires, sewer lines, water line and similar services encountered in the course of the execution of the work shall be protected against the damage by the contractor. The contractor shall not store materials or otherwise occupy any part of the site in a manner likely to hinder the operation of such services.
32. Any damage done by the contractor to any existing work or work being executed by other agencies shall be made good by him at his own cost
33. The work shall be carried out in the manner complying, in all respects with the requirement of relevant rules and regulations of the local bodies under the jurisdiction of which the work is to be executed and nothing extra shall be paid on this account.
34. On account of security consideration, there could be some restrictions on the working hours, movement of vehicles for transportation of materials and location of labour camp. The contractor shall be bound to follow all such restrictions and adjust the program for execution of work accordingly. Nothing extra shall be paid on this account.

35 (i) Arbitration:

In case conciliation proceedings do not fructify, arbitration shall be resorted. Any dispute or difference whatsoever arising between the parties out of or relating to the construction, meaning, scope, operation or effect of this contract or the validity of the breach thereof shall be settled by arbitration by a sole arbitrator to be nominated by President, AOA, BOM, KV-II. The provisions of Arbitration and Conciliation Act - 1996 shall apply to such arbitration proceedings and the award made in pursuance thereof shall be binding on the parties. The venue of arbitration shall be NOIDA. The language of the arbitration shall be English.

(ii) Exclusive Jurisdiction:

The parties hereto agree that any matter or issues arising hereunder or any dispute hereunder shall be subject to the exclusive jurisdiction of the courts of **NOIDA only.**
